

Summary of AQTF audit information

As a Pre-qualified Supplier under the User Choice 2010 – 2015 Program, Australasian College of Health and Safety is required to publish audit information in relation to it's compliance with the Australian Quality Training Framework (AQTF).

The User Choice program provides public funding paid directly to Pre-qualified Suppliers for the deliver of accredited entry-level training to eligible Apprentices and Trainees.

The AQTF is the national set of standards which assures nationally consistent, high-quality training and assessment service for the clients of Australia's vocational education and training system.

An AQTF audit reviews evidence of an organisations' compliance with the requirements of the AQTF *Essential Conditions and Standards of Initial/Continuing Registration* to confirm that it is achieving quality training and assessment outcomes. The process also identifies opportunities for improvement on these outcomes.

This information is published to assist apprentices, trainees and their employers make informed decisions regarding their selection of a Pre-qualified Supplier for the delivery of training and assessment services.

Audit Date: 13th March 2007

Qualifications audited	
Qualification Code	Qualification Name

Explanatory Notes:

Non-compliance with the AQTF means that requirements of the Australasian College of Health and Safety have not been met based on the evidence reviewed. Non-compliances are categorised as minor, significant or critical. For the purposes of the User Choice 2010-2015 program, only significant and Critical non-compliance s need to be published.

Minor: No, or minor, adverse impact on learners with no serious breakdown of provision of quality training and assessment.

Significant: Significant adverse impact on learners with insufficient focus on quality training and assessment outcomes.

Critical: Critical adverse impact on learners with widespread or persistent dissatisfaction with services and outcomes.
